HERE'S TO OUR 1989 HAWKS!!!!

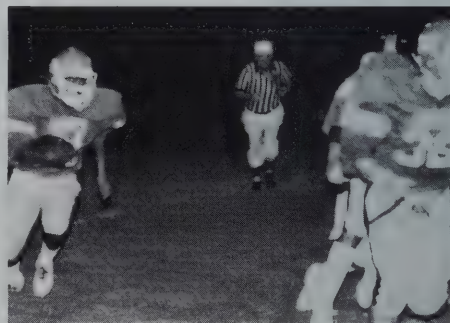

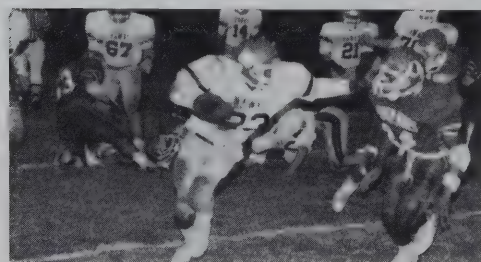

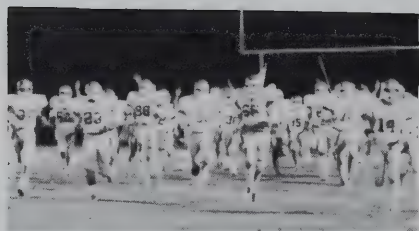

*Bless you
Boys*

The 1988 "HAWKS" ended up with a most successful football season. Record wise at 9-2 and playing in first ever playoff game against South Jones the "1988 Fighting Hawks" will be well remembered. Even though the Hawks lost to South Jones the effort put forth in the game was quite evident as had been all year.

The '88-'89 Hawks got off to a great start by winning the Hancock County Tournament. The Hawks defeated Pass Christian and St. Stanislaus to win the tournament. As the competition became stronger the Hawks struggled somewhat. As 1989 began the hawks rebounded with a stunning defeat of Picayune and Bay St. Louis in the Picayune Tournament. The Hawks took home the second place trophy. Our record at this time is 6-10 and 1-3 in district at the midway point of the season. With the tallest player at only 6'2, the Hawks continue to believe they can be District Champs and have a winning season.

Coach Peterson

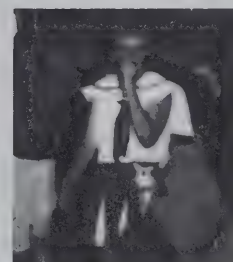

The Lady Hawkettes has the determination to achieve their goals. All of the Dedication and hard work has given the Hawkettes the potential to acquire their most biggest desire of the 1988-1989 season, "The Championship"! They show great leadership on and off the court to the student body and faculty.

UNDERCLASSMEN

Standing from Left to Right: Rachel Deschamp — Prom-Chairwoman, Chere Ladner — Publicity, Sissy Hietzman — Treasurer, Hailegh Moran — Sec. Bryan Rauls — Vice President, Kyle Ahlers — President.

The junior class had a very busy year at H.N.C. Not only did the juniors sponsor the homecoming dance, but the year highlighted with the prom. Prom was held at the Gulf Coast Coliseum Convention Center on April 15, 1989. The juniors sold corsages, garters, cups valentine flowers and prom glasses to raise the needed funds to make prom 89 a success. The juniors worked hard and long hours and hope the seniors will always remember prom as a "Time of my Life."

Education is an essential part of life. It is a foundation that all future experiences rest on. Each aspect of this structure enhances opportunity for success in a lifetime. Therefore, our educational background must be sequential and meaningful to our life and environment. Every opportunity must be taken advantage of in order to broaden our intellect. This continuous process enable us to obtain knowledge far beyond formal education. The cornerstone for a successful life is education.

Foreign Exchange Students

Takako Watanabe

I have enjoyed the friendly students here at H.N.C. and I have enjoyed this cheerful school. I am happy to know that I was able to have a good experience at school in the United States. Someday I hope to come back here. I can't wait to graduate with everybody in May. Thank you for giving me a nice time. I will never forget this time.

Ikumi Fukuda

I really like the days I have had here at school. I love the friends I have had and I love my host family. I like Mr. Anglada, he spoiled me.

My biggest habit is shopping, I like to do this on Sundays and Saturdays in Biloxi. I like Mr. Anglada's class a lot. I have enjoyed it here at H.N.C.

Yasuyo Hanagata

I like Hancock because every one is very kind. It was not difficult for me to make friends because they are friendly. I like the people who are in Hancock.

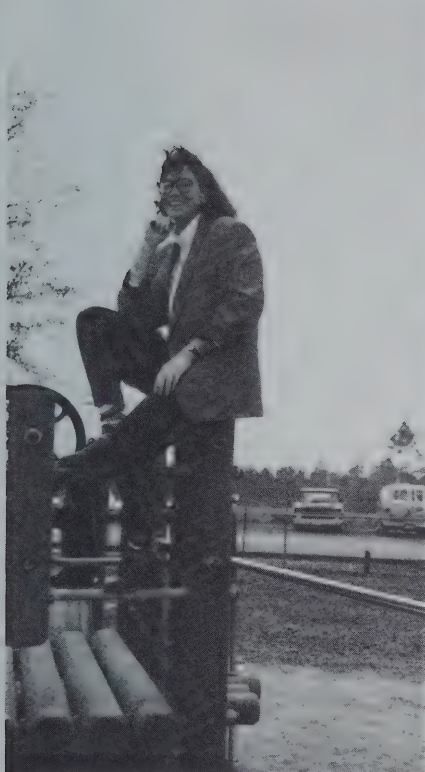

I dislike the lunchtime here. It makes me feel so bad. I want to be quiet.

My host family is very nice to me. They take care of me like a real daughter, and real sister. I like them. I don't want to leave them.

My favorite teacher is Mr. Anglada, my favorite class P.E. because I don't have to study something.

I like to play basketball, it is my first time playing basketball and I do not think I am a good player. But I have fun playing it.

Foreign Exchange Students

Becky Schirl

I really have enjoyed the warm weather and the friendly students at H.N.C. I can not wait until we all graduate together. I hope I will be able to come back later and see all of my friends. I will never forget the times that I've had with you all. Thank you for everyting that you have done to make this experience great.

Gustaf Engstrand

During my stay here I stayed with Mr. and Mrs. Herbert Larson. They are very nice people.

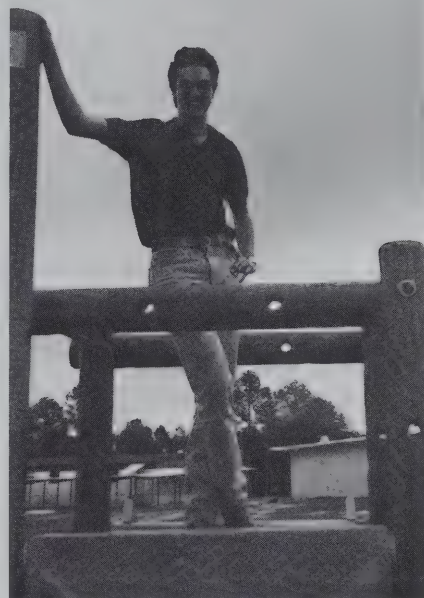

While here at Hancock I was a member of the Student Council, Tennis Team, and Golf Team.

Most things I do over here are fun, especially from flirting with the girls and playing Tennis and Golf.

Friends that I do most things with over here are Paul Minnaert, Joseph Eakins and Kevin Peri.

My favorite teacher is Mr. Anglada. Last semester when I had Mr. Byrd I condidered him my favorite teacher.

What I like most about Mississippi is the warm weather and my nice host family.

Jose Santos Ferrier

First I want to thank you accepting me in this school. I want to thank the teachers who helped me when I needed them. I liked the computer and P.E. classes the best. Mr. Mauffray and Mrs. Lovelace are my favorite teachers. I like the students and my host family. I really enjoyed staying with my host family. I'll always remember the Rock Show that the Edge performed while they were here. But most of all, Mardi Gras was the best time of my life, New Orleans is great. I played a lot of Tennis at the Diamondhead Courts, this was my favorite place.

*James
Moore*

James, in our third grade year we lost a very dear friend. This friend of ours left us very suddenly and without notice. Where this friend once was in our heart there is now a blank space and a void. It was as if someone had come along and striped us of our joy. Even though our young minds could not understand death we knew he would not come back.

Now that we are older we now realize what really happend to our friend. God in his loving tender mercy came down and touched his young soul and took him home to be with him. He took him away from the troubles and cares of this life.

James, yes, you are that friend. Through the years we only had your memories, we will cherish them for the rest of our life.

MEMORIES

Senior Class of '89

*The senior class of '89
has reached its final year.
We will leave with a sense of pride
Which will be shown by a simple tear*

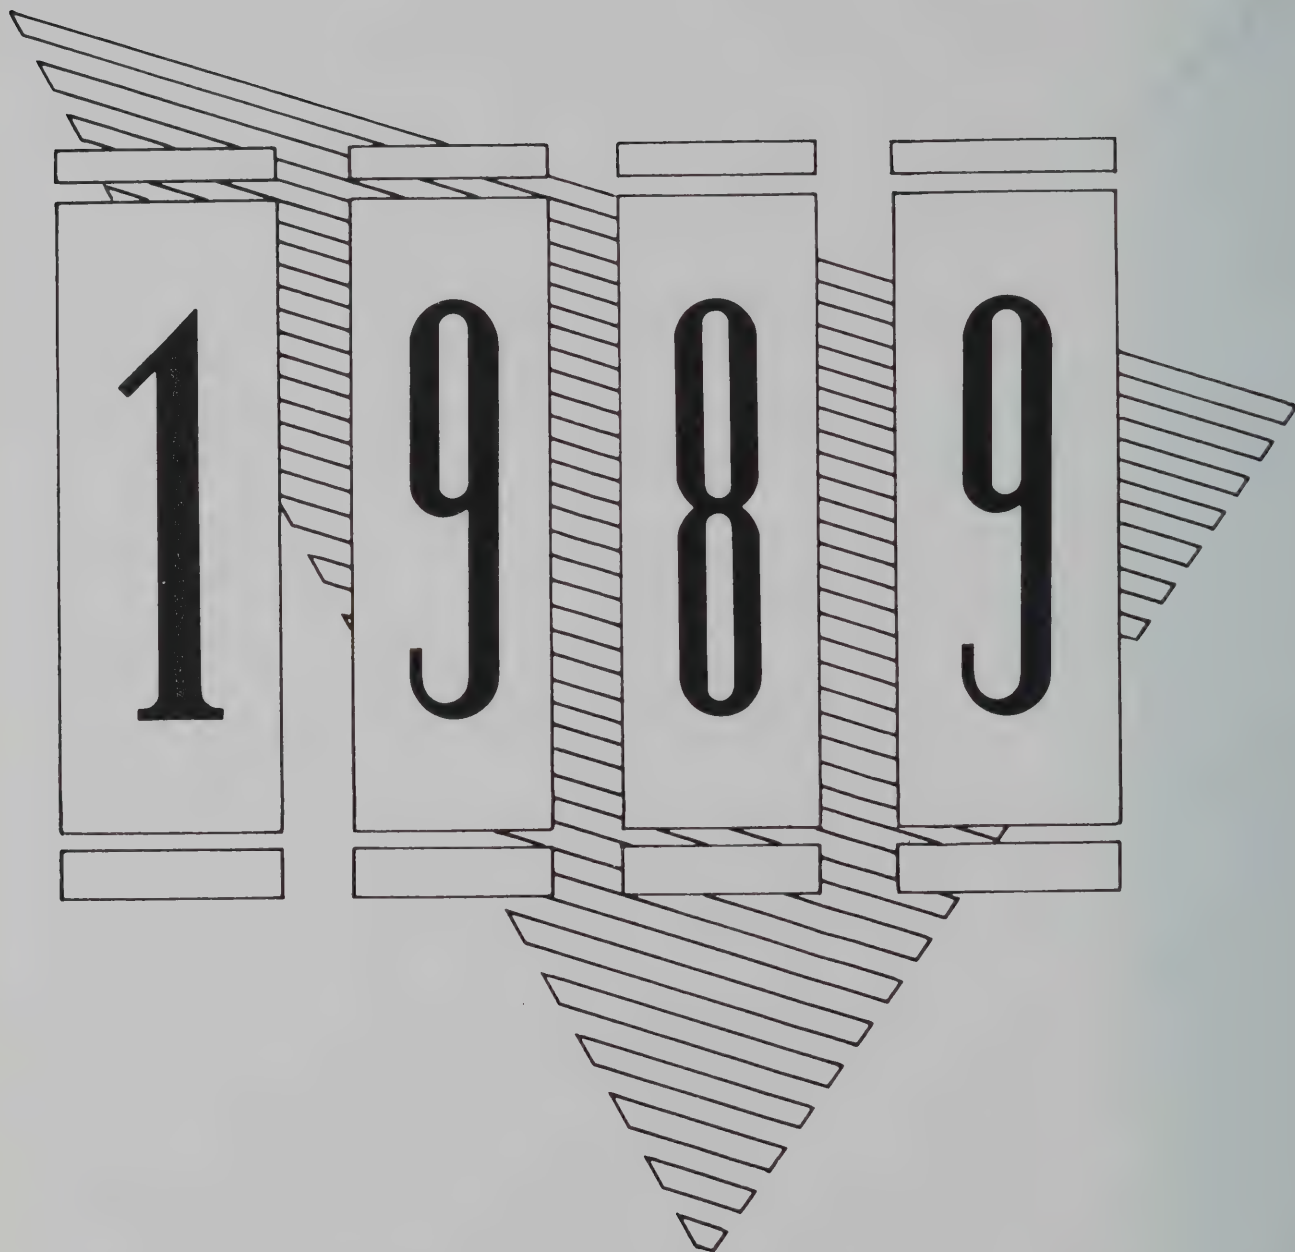

*we have shared our times together
through tough, both thick and thin.
We have stood together as a whole
through our school years until the end.*

*Down through the years while in school
there have been some we've gained, yet last too
although there were behind
we tried showing them just what to do*

*but now the time has come
to move on and choose a new life
and live in the troubles of the world
and deal with great harshness and strife*

*then come time for our ten-year reunion
and we're out making nickles and dimes
there will be big changes in each of us
than there were back in 1989.*

We are repidly approaching the end of what has proven to be another busy and, I believe, successful school year. I wish to thank all of you for your efforts and contributions during the last year.

I feel that as a school we have made considerable progress during recent years. I consider myself fortunate to have the privilege of serving as your principal. I strongly believe that as we take a comprehensive view of our school — the quality and scope of our staff; student achievement scores; services offered; success with extracurricular activities; to name just a few — we can see that Hancock North Central High School does not have to take second place to any school district in the state of Mississippi. Indeed, I admit with perhaps some degree of bias, I am of the opinon that Hancock North Central is among the best in Mississippi.

Again, thank you for your efforts during the present academic year. We look forward to 1989-90. Best wishes for a relaxing summer reprieve or, at least, for an enjoyable change of pace.

*D. E. Hillman
Principal*

This has been a most pleasant year there at Hancock North Central. We are striving to provide quality education for all our students. We are looking forward to the coming years as we plan for an exciting future for our school.

Many accomplishments have been obtained by our students this year. To you, the students, I say thank you for making Hancock North Central what it is.

To Mr. Anglida and the annual staff, I congratulate you on a fine yearbook.

*Gratefully Yours,
David Kopf*
